USDA LETTER OF GUARANTY EFFECTIVE JANUARY 01, 2007

APW PRO WHITE -500

The above detergent manufactured by Hydrus Detergents is an alkaline, readily biodegradable detergent consisting of alkaline builders, water softening agents, surfactant blend, solubilizers, inhibitors and stabilizers. Approved for use in official establishments operating under the Federal meat, poultry, shell egg grading and egg products inspection program under 9CFR416.4(C) FSIS Directive 5000.1, Revision 2, Amend.1.

USE CRITERIA:

- ❖ This detergent may be used in all departments.

RESTRICTIONS OF USE:

- ❖ Before using this detergent, food products and packaging materials must be removed from the room or carefully protected. Read detergent label directions and Material Safety Data Sheet thoroughly before using this product. After using this detergent, all surfaces in the area must be thoroughly rinsed with potable water.

This detergent complies with all applicable OSHA and EPA regulations and is registered with the Rocky Mountain Poison Control Center for any medical emergencies and CHEMTREC for any shipping (DOT) emergencies.
